ACORN

1958

FORWARD

As we finish out another term at Alameda High, we pause to look back over our activities here, both academic and social. In leafing through the pages to follow, we shall gain a further insight into many of the ways in which we have broadened our interests and increased our acquaintances in school and community life. Almost as important as our school life and studies is the way in which our leisure time outside of school is spent. This leisure time, be it spent in serving the community or in availing ourselves of services offered by the community, helps us to develop ourselves and sets us on the road to good citizenship. With these thoughts in mind, let us enter this world of the students and their community.

DEDICATION

The students of Alameda High are proud to dedicate this ACORN to the citizens of the city of Alameda, a progressive community that realizes the importance of good education in a period when many communities seem to be indifferent to and unaware of the importance of providing a basic education for their youth. Our community realizes that the schools must produce a well-rounded citizen, and it tries to provide the best possible surroundings to achieve this end. Our citizens have approved the school tax and bond elections which have made it possible to maintain and further our educational program. Furthermore, private groups have stimulated the general interest of our community in the welfare of the educational system by promoting scholarship funds and foreign exchange programs. We thank them for this fine support.

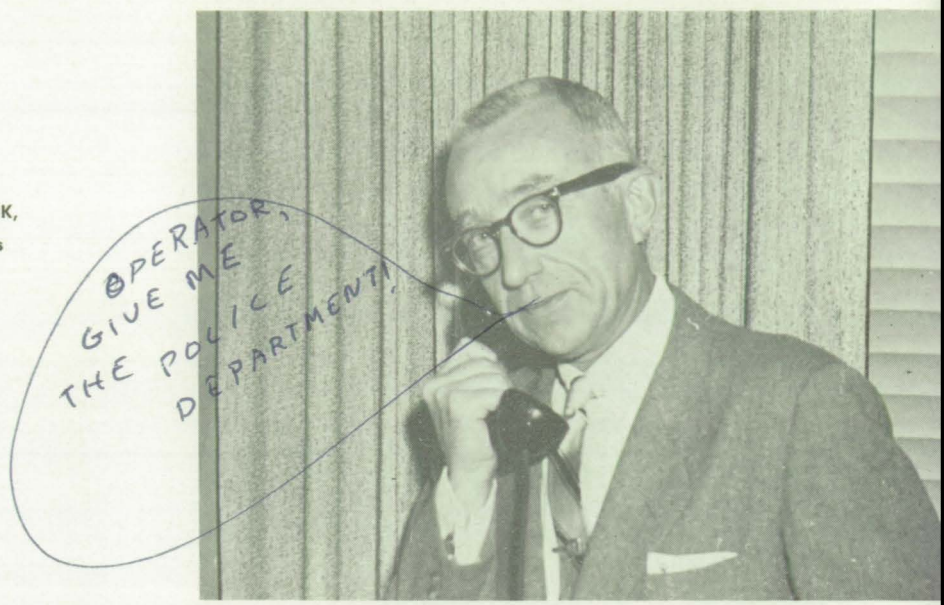
Alameda Is Proud Of Educational



DR. DONALD M. RODERICK,
Superintendent of Schools

Our schools are a vital part of our community and the community can well be proud of them.

The Board of Education and our Superintendent of Schools, Dr. Donald M. Roderick, have worked diligently to provide unlimited educational opportunities for the young people of this city.

Few of us realize that the Board of Education is a group of people who are truly dedicated to the youth of Alameda. They serve without salary and they spend hundreds of hours each year, planning, working, and determining methods of financing an educational program which will offer every boy and girl an opportunity to prepare himself to take his place in our modern world, a world which has progressed more rapidly during the last twelve years than in any other period of history. May the Board's future planning be as farsighted and noteworthy as it has been in the past.

System Maintained By Able Leaders

MR. J. M. BRYAN,
Principal

Principal's Message

No informed person will deny that our schools are in the spotlight today. The American educational system is one of the most commonly discussed topics of our time. This is as it should be. The continuing quality of our educational system is one of the safeguards of our democracy. In this rapidly changing world of phenomenal technological advancement and new patterns of living, it is only natural that ideas and counter-ideas should be flowing freely.

We have in our Alameda High School Creed some old but very important ideas which, I believe, bear repetition in our yearbook.

"We, the students of Alameda High School, realizing that the ultimate aim of every American school is true citizenship in the classroom and on the playground, do subscribe to this our creed: (HA-HA)

"We will never disgrace this, our school, by any act of dishonesty or cowardice. We will work for the best interests of our school, both singly and together, through courtesy for each other, respect for authority and politeness under all circumstances. We will not only obey all rules of our school, but attempt to encourage a like obedience on the part of others.

"Thus, in all these ways will we strive to transmit to future students a finer spirit of citizenship."

RICH WEIRMACK

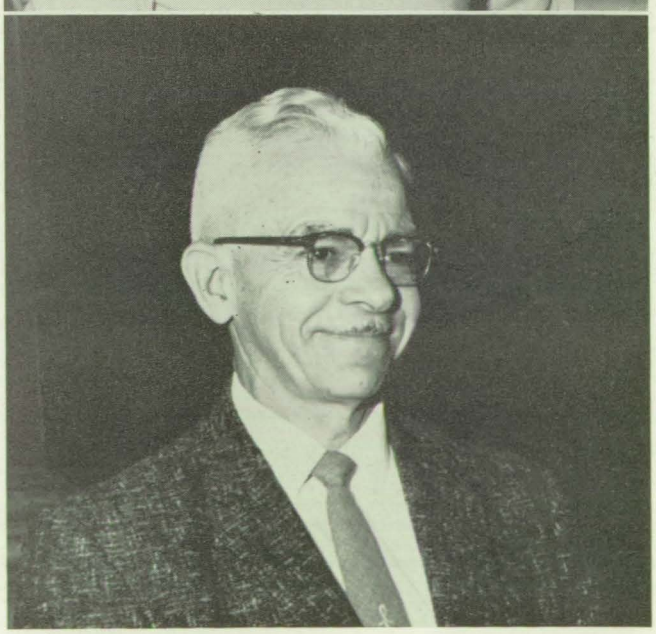
I wish to thank ~~Mr. Hallock and Mr. Schneider, faculty advisers~~; Marvin Rogneby, Editor; Nancy Kapgenehs, Business Manager; Kay Briscoe, Assistant Editor; and the entire ACORN staff for working diligently for a whole year in order to produce and publish the 1958 ACORN.

MR. DONALD J. BELL
Vice-Principal

As Vice-Principal, Mr. Bell holds an important position at A.H.S. He is the one who must construct the master program each semester and then aid the advisors in programming the whole student body. He acts as the advisor to the Student Body Officers and to the Men's Board of Control. He also shows his further interest in student body functions by attending all athletic contests and supporting our teams with enthusiasm.

MRS. HELEN HOEKSEMA
Assistant to the Principal in Charge of Instruction

A smile and a wink are the badge of Mrs. Hoeksema, Assistant to the Principal in Charge of Instruction. She acts as the advisor to the Girls' Association and the Women's Board of Control and is in charge of audio-visual and other instructional materials. Yet no matter how busy she may be, she always has that friendly moment for a word of good, solid advice.



MR. EARL SHRIBER
Assistant to the Principal in Charge of Attendance and Guidance.

During his thirty years at Alameda High, Mr. Shriber has always done his job with skill and devotion. He has been in charge of the attendance office as well as of the supervision of graduation, box-office, and auditorium staff activities. At this, the close of his last year at A.H.S., it is with great regret that we, the students, say farewell to a friend whom we shall miss.

Guidance And Counselling Are Vital To All

There are several services connected with the counselling department: testing, guidance and counselling, and job placement. The purpose of this department is to guide the student in the selection of the courses best suited to his needs and to help him to make himself a well-rounded person able to be an asset in the community. Mr. Carey, who is in charge of testing, performs an invaluable service. He gives tests which indicate interests and may suggest the vocation for which a student is best suited. Mr. Carey also gives the college entrance examinations. The counsellors have much information on scholarships and college entrance requirements. Through the job placement counsellor many opportunities are offered to students who wish to work.

Mathematics, though it be the language of science, is of great importance in non-scientific fields, as well as in everyday living. If one learns to reason logically in mathematics, these patterns of logical thought can be carried over into other fields. Mathematics at Alameda High is well taught and brings out the practical side, as well as the theoretical side of the subject. For those who are outstanding in mathematics, there is a pilot math course called Honors Math, which carries the students from very advanced algebra subjects through analytic geometry and calculus. This new math program under the direction of the Mathematics department head has proved successful and will be continued: all in all the math program at Alameda High looks very bright.

The ability to think logically and to apply knowledge to practical problems is never better taught than in the science class. In this age of rapidly advancing ideas we can be thankful for a fine science department that stresses this ability in all its courses.

Now that science departments all over the nation are being appraised in terms of their ability to teach, our department can proceed in good conscience, knowing that it gives the very finest in science education. From the study of the first principles of general science to the rules of electricity and electronics in physics, students are constantly given the challenge to be curious about and to inquire into the world around them.

Students, although they may not enter some field of technology requiring science, will find that their training will be of immense value to them throughout their lives.

English And Language Foster World Peace

ENGLISH - LANGUAGE DEPARTMENTS

TOP ROW — LEFT TO RIGHT: Mrs. Virginia Anderson, English; Miss Marian Los Kamp, English; Mr. Arthur Moore, Student Faculty Advisor, English, Chr. 2A Class; Mrs. Alma Pavid, English; Mrs. Kathleen Putney, English

BOTTOM ROW: Dr. Joseph Rediger, Chr. English Dept.; Mr. Jerome Schneider, English, French, Chr. 3A Class; Miss Leota Schroeder, English; Miss Paula Sheller, English; Mrs. Courtney Smith, English, Star and Key Advisor.

FOREIGN LANGUAGE DEPARTMENT—LEFT TO RIGHT: Mrs. Margaret Henry, Spanish; Mrs. Francis La Fontaine, French; Mrs. Lenore Marker, Latin, Latin Club Advisor; Miss Phyllis Reeves, French, French Club Advisor; Mrs. Maria Tays, Spanish, Spanish Club Advisor

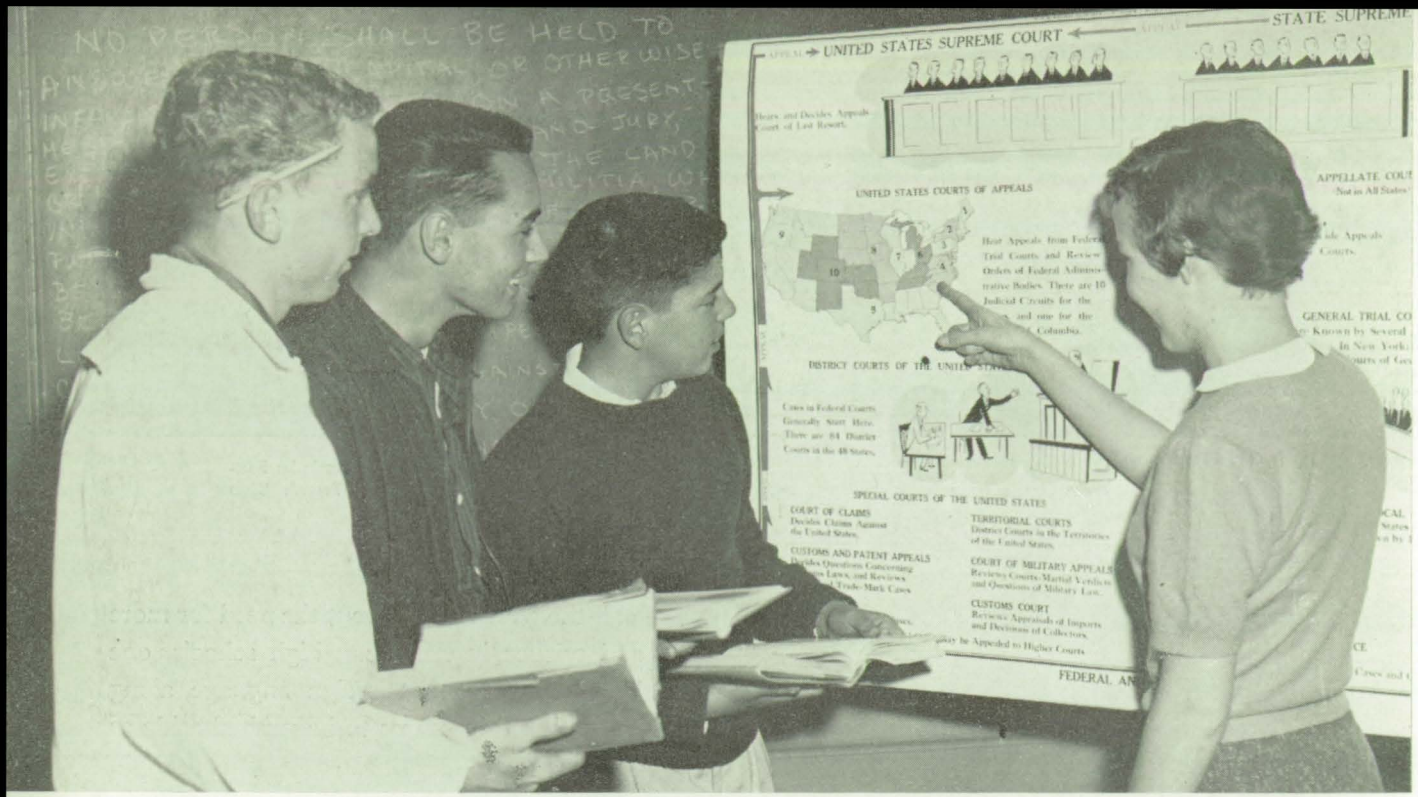
The purpose of the study of English is twofold. First, it opens the door to the student's enjoyment of English literature, and second, it gives him a groundwork in the mechanics of writing so that he can express himself with ability and precision.

In A. H. S., grammar is studied from the simple subject and predicate to the complex-compound sentences of Senior English. The study of literature includes an area ranging from the skill-building readers to Thackeray's *Vanity Fair*. Through reading one becomes acquainted with such characters as the dashing knight, Ivanhoe, the spiky-haired Jerry Cruncher, and the green-eyed Becky Sharp.

With all the recent furor about the need for more math and science in American high schools, one might begin to believe that foreign language, along with many other things, was to be pushed aside as a frivolous extra. This is not so at Alameda High. A well-rounded education is stressed now as much as ever before.

The study of language includes a study of the history and culture of the lands in which it is spoken, as well as a study of the basic grammar and conversation. In A. H. S. the more advanced students read plays and novels in addition to using the usual text books.

Latin students examine an ancient Roman warship.



The United States' judicial system is the topic being studied in this Government and Politics class.

History Bridges Gap From Past To Present

The purpose of the study of history has long been an understanding of the present through an understanding of the past. Today a knowledge of ourselves and others is essential. Thus, if history be the means to such an end, it is a modest investment with great dividends.

In A. H. S. the history of man is studied from the caveman to Khrushchev, and historical events are analyzed in an effort to determine their effort on civilization as we know it today.

Our newly-required civics course is aimed at producing citizens who will understand and accept the responsibilities of democracy so that it will remain forever vital.

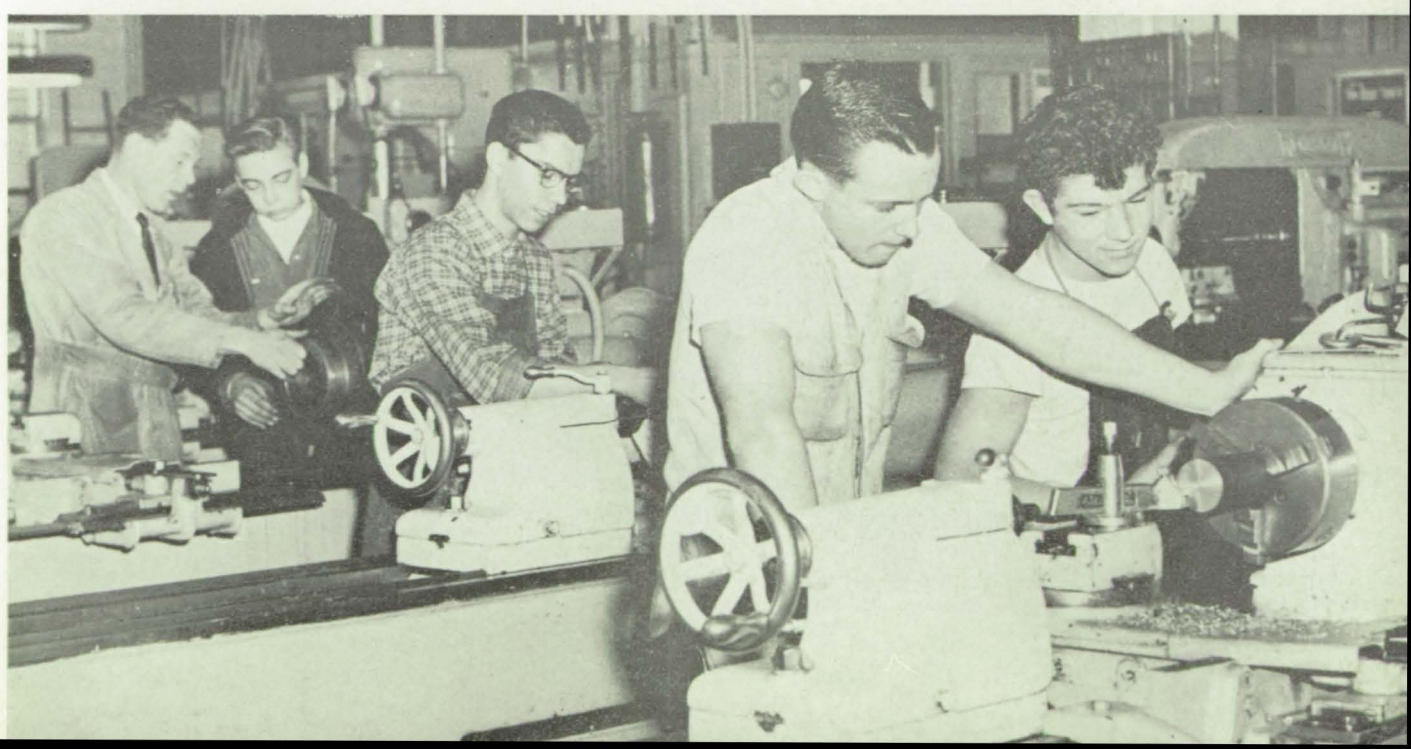
Shop Training Prepares For Work And Play

Vocational training at Alameda High is important and quite varied. The courses offered are divided into two distinct types. The true vocational courses are such things as the two- and three-hour machine, auto, or radio shops. Here the students actually learn a trade which will serve them in later life. The other type of course offered is more or less exploratory; it gives the student a general idea of the field. For some it is a chance to develop a hobby. Courses available in addition to those already mentioned are industrial arts, woodshops, and mechanical drawing.

Working at the lathe and other machine tools helps prepare these students for a practical trade.



Members of a drama class rehearse scenes for a Masque and Sandal production which will be presented during a student meeting.

Students in the art department at Alameda High show great interest in their work as they prepare Christmas decorations.

Fine Arts Broaden Cultural Background

Music adds much to the spirit, gaiety and tradition of A. H. S. What would football games be without the band, or the Christmas pageant without the orchestra and vocal groups?

In art our students may learn many things from water color painting to the making of pottery and the building of sets for the Senior Play.

Mr. Sisler's drama classes are varied too. The student learns to act with his whole body through pantomime and to improve his speaking ability through diction exercises. Each term the drama class presents a play for the student body.

Our talented orchestra practices hard to keep up the quality of its unusually fine work.

R.O.T.C. cadets train to perfect skilled movements in the manual of arms. Here they are executing "stack arms."

R.O.T.C. Trains For Leadership

It is with great anticipation that the cadets of our great reserve officers' training corps look forward to the opening of their armory in the new west wing. After having operated in cramped quarters for the past one and one-half years, the R.O.T.C. will be glad once again to expand its program of education in military science and tactics. Nonetheless, the program has been full enough to keep these fine boys occupied, for in addition to tactics and military science; principles of leadership and discipline have been taught.

R.O.T.C. classes are in session from 7:50-8:42 before the regular school session begins.

A class in swimming is also held for R.O.T.C. students during sixth period. Alameda High can well be proud of the record upheld by the R.O.T.C.

The sport of basketball promotes good, healthy sportsmanship and keeps students in top physical condition.

Boys' physical education at Alameda High is a well-balanced program designed to build a solid character and to mold a sturdy body. Through healthy competition among themselves, these boys learn the essentials of co-operation and good sportsmanship.

In the varied sports program that is offered, boys can find the sport that suits them best, while sampling from among the other sports.

The sports that are offered in the boys' physical education program are volleyball, basketball, swimming, and touch football. A required course of hygiene and first aid is also included. Rugged exercise also forms a part of the curriculum.

Other sports such as track and baseball were eliminated from the P.E. program owing to the fact that our field was not available for use, but students next year will be able to take advantage of these games when our field is reopened.

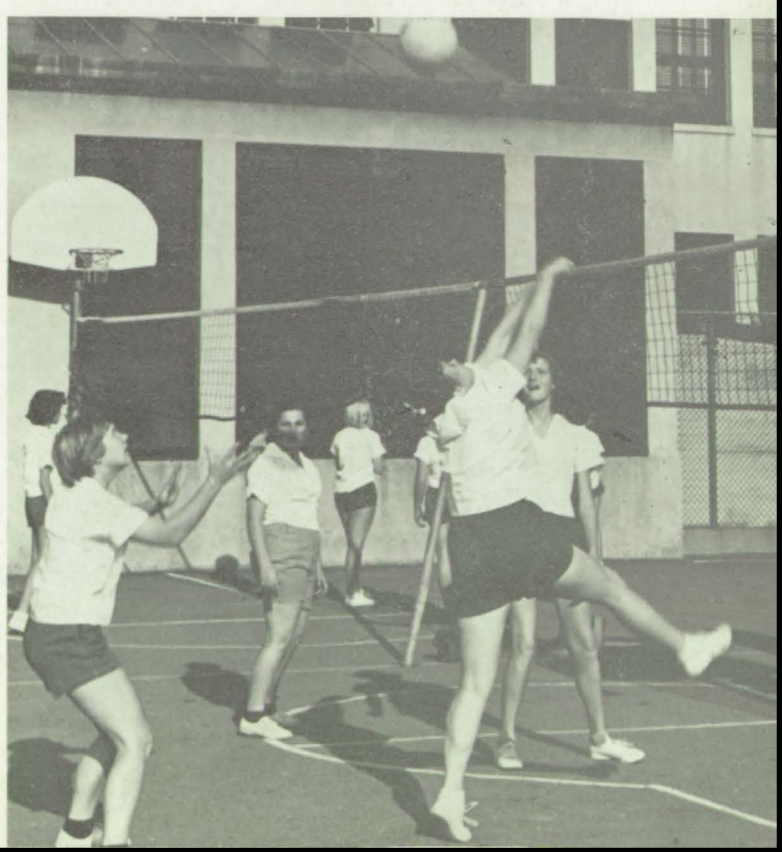
P.E. Is Pleasure With A Purpose

The Girls' P.E. Department is divided into regular P.E. classes and Modern Dance. A variety of sports are enjoyed each semester, including such things as swimming, basketball, softball, hockey and speed-a-way.

In Modern Dance the girls work to improve their own dancing skills. They also study rhythm and compose dances. This year, for the first time, the Modern Dance classes, in co-operation with the music department, presented a program for the Student Body. This training helps immensely in the development of poise and grace.

The purpose of physical education is much more than the promotion of physical fitness. P.E. gives a girl a chance to work with others in a group, as well as to develop her own skills. The Health Education program is also very important; the girls study personal hygiene, first aid and home nursing.

Volleyball, one of many girls' sports offered, is a fast, active game enjoyed by all.



COMMERCIAL AND HOME ECONOMICS DEPARTMENTS—TOP ROW, left to right: Mrs. Joanne Higbee, Clothing; Mr. Lee Jackson, Dictation and Transcription, Steno.; Mrs. Marcella Lauck, Office Practice; Mrs. Sara Patty, Steno., Typing. BOTTOM ROW: Mr. Einar Sorensen, Accounting; Mrs. Louise Tham, Clothing, Home Management; Mrs. Rita Thompson, Foods, Homemaking; Mrs. Josephine Van Ogtrop. Typing.

Students Plan Careers In Office And Home

The courses offered in the commercial department are of value to the college prep student as well as to the business student. A variety of skills is offered, but typing is basic. When a student decides on a business course, he usually takes typing, office practice, shorthand, accounting, and machine calculations. A few skilled students are placed in jobs upon graduation.

All girls, whether they have a career or not, will some day become homemakers. The courses at A.H.S. are designed to help our girls to make a success of homemaking. In foods classes the girls study nutrition and learn to cook meals as a unit. Home safety is also studied. The apartment is used for practical work in entertaining and housekeeping.

The ability to sew adds much to good homemaking; sewing the girls learn to do beautifully in the clothing classes; some even design their own creations. Each term a fashion show is presented in cooperation with the P.T.A.

Office practice students learn the operation of a mimeographing machine.

Students in a foods class study the modern way to cook.

These People Are Vital To Our School

This section of the book cannot be closed without a word about all these people whose motto is school service. The office staff works hard to help the administrators keep the school functioning smoothly. Mrs. Hemrich has charge of the library, which contains a good supply of books for reference work or pleasure reading. The text books and their care are the concern of Mrs. Arfsten, text book clerk. Mr. Geyer instructs students in the fine points of driving as well as in basic mechanical operations. Mrs. Hunter, the school nurse, helps carry out the city health program. The many school productions presented could not take place without the aid of the stage crew. Last but not least are the maintenance crew and the laundry staff which work to keep our school neat and clean.

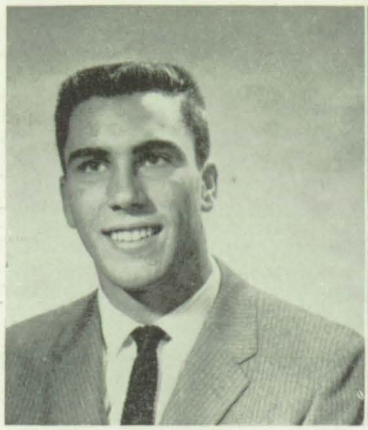
Fall Student Body Functions Run



DON BELL
President

SUE CHURCH
Vice-President

Under the outstanding leadership of Don Bell, President of the fall semester 1957, the weekly Alameda High School student meetings met the traditional high standards which have been set throughout the years. Ably assisting Don, was Sue Church who served as our Vice-President and headed the Service Panel. Don and Sue, as President and Vice-President, represented Alameda High at various official functions.

Our Recording Secretary, Jim Ferrier, did an excellent job keeping 100 per cent minutes for the term. As Financial Secretary, Lee Archer was busy securing student rates from local places of business and paying bills incurred by the student body. Penny Drayer, our spirited Yell Leader, did a wonderful job supporting and cheering the team at A.H.S. football games.

The fall term's leaders carried out their responsibilities in a commendable manner; our student meetings were always interesting and well conducted. The A.C.A.L.-O.A.L. Talent Show in which talent from other schools was presented and enjoyed by all.

Serving Alameda High School students as their governing body, the Fall Administrative Board was made up of representatives from each class. These elected Ad Board members carried out the wishes of the students and provided as well for creative student government.

As is traditional at A.H.S., the Ad Board was responsible for the Fall Opening Dance, "Ridin' High," which was very successfully managed by our Recording Secretary Jim Ferrier and Vice-President Susan Church. Curt Nelson designed the clever bids which were of gold and blue, resembling the old-fashioned flying balloons. The decorations committee, headed by Jeff Berman, carried out this theme. Serving as chairmen of the various other committees were Patt Strickler, publicity; Dan Lufkin, music; Chris Jensen, refreshments; and Dan Long, skit.

Also during the fall term, the enjoyable student body meetings presented were a credit to the hard-working Student-Faculty Committee who greatly assisted President Bell in his selection of interesting as well as educational programs for our Thursday meetings.

The Fall Men's and Women's Boards of Control were led by Gary Farwell and Nancy Bradt, Chief Councilors of their respective boards. Assisting them were Wayne Stanley, Ed Stapel, Chuck Whitchurch, and Chris Hooper, Men's Board of Control; and Sue Byrne, Gail Andrus, Kathy Brown, and Janet Wallin, Women's Board of Control.

On each board are 24 members who are chosen by the Ad Board and a special student-faculty committee. The boards enforce rules at student body meetings, football games, and other school affairs. Seven high seniors are chosen as well as seven low seniors, five high juniors and five low juniors.

During the term the girls wore red plaid ties, white middies, and navy blue skirts, while the boys wore their traditional gold and white caps. The boards ended their term by having dinners with their advisors, Mrs. Hoeksema and Mr. Bell.

Dances Highlight Social Activities

Students sway to music on records at the Opening Dance, "Harbor Lights."

This year, the dances were better than ever: well planned, well attended, and well liked.

The fall opening dance, "Ridin' High," was a big success and, as the first dance of the fall semester, launched the term in high style.

The next dance, the Soph Hop, "Easy Going," was held October 11. The traditional girl-ask-boy dance was a record-breaker and a credit to the sophomores who presented it.

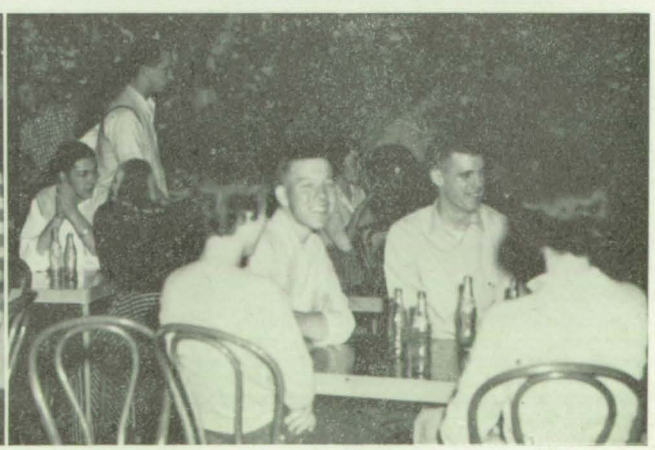
The last fall dance, "Underwater Fantasy," was the formal Junior Prom with its clever bids and decorations.

Beginning the spring semester's social activities, the spring opening dance, "Harbor Lights," was presented on February 21 and introduced the new freshmen to Alameda High. Following this dance, the Junior Prom, "Flamingo," was enjoyed by A.H.S. students.

The soph hop, "Me and My Shadow," was the final dance of the year and culminated A.H.S. night life.

Students at the spring Opening Dance find it to be an enjoyable affair.

Refreshment time between dances finds many students engaged in friendly conversation.



For many weeks ahead of time, high sophomores were seen scurrying about Alameda High School, preparing for one of the highlights of the A.H.S. social calendar, the Soph Hop. Clever posters were circulated in each classroom, and members of the Sophomore class carried bids to publicize this memorable dance.

Proving that their preparations had been excellent, the Sophomores were proud to know that their Hop had broken all records. This record-breaking dance, "Easy Going," was held on October 11, 1957, in the A.H.S. gym, imaginatively decorated for the occasion.

The Soph Hop was ably managed by Bob Shepherd and Hope Chipman. To assist them, the following committee chairmen were chosen: Hiroshi Abiko, bids; Daryl Lyerla, publicity; Judy Eggers, reception; Mary White, skit; Linda Boucher, music; Ann Shirley, refreshments; and Gregg Hoffman, decorations.

Hop And Prom Draw Large Crowds

The class of February '59, inspired by the beauties of the world beneath the sea, selected the theme, "Underwater Fantasy," for the fall term's Junior Prom. The dance was held on Friday, Nov. 15, in the Alameda High School gym which had been completely transformed by imaginative decorations. In the background was a scene depicting a half-sunken treasure ship; the remainder of the decorations consisted of artistic replicas of underwater adventure: a pirate treasure chest gleaming with gold and jewels, a suspended octopus, fishnets, starfish, various flowers, and multicolored sea shells.

As its bid, the class used a glittering, globe-shaped fishnet in which a goldfish was suspended. Attached to this unusual bid was a small, gold dance program.

George Washington Slept Here, a three-act comedy by the famous team of Moss Hart and George S. Kaufman, served as the vehicle for the presentation of the acting abilities of the members of the class of June '58. The class gave this delightful farce as their senior play on the nights of November 1 and 2.

The play begins as Mr. Newton Fuller, who greatly admires the supposed advantages of living in the country, decides to buy an old, historic farmhouse in Pennsylvania, a farmhouse in which George Washington has once slept. He does this without consulting his wife, Annabelle, who hates even the thought of living outside the city limits. Adding to the fun are Mr. Kimber, the humorous hired hand; Katie and Hester, the temperamental household help; Madge, Raymond, and Uncle Stanley, other members of the family; and many new neighbors and acquaintances.

An interesting change of pace is offered by carolers in the Christmas Pageant.

The traditional nativity scene emphasizes the meaning of Christmas.

Beautiful Pageant Presented At A.H.S.

Participants in a Mexican Christmas celebration wait anxiously as one of their number attempts to break the Pinata.

The beautiful Christmas Pageant presented at A.H.S. this year was named *Unto All the World*.

The pageant begins with the appearance of a little boy and girl from a yellow house. The children join other children in Christmas games. The horrified parents of the other children come and drag them away, scolding, "You must never, never play with children from the yellow house!" The little boy and girl are left alone on the stage.

The scene is now the church, and the minister is telling his congregation (containing these same parents) about Christmas in other lands, proving that Christmas is for everyone. The congregation is transported to Germany, Mexico, England, France, and Holland. The pageant ends with the very moving manger scene which shows Mary, Joseph, and the angels looking at the Infant.

This inspiring pageant was written and directed by Mr. Lloyd Sisler. Others in charge were Miss Shaffer, choir; Mr. Hanson, orchestra; Mrs. Layton, costumes; Mrs. Schwartz, dance; Miss Reichmuth, stage sets; Mrs. Hoeksema, publicity; Bob Wales, sound; Carol Snell, student director; Greg Hoffman, pin rail; Don Traver and Glenn James, lighting; and Pat Good, make-up.

Playgoers Ushered In With Skill

At each important activity held in our auditorium, members of the Usherettes and R.O.T.C. were on hand to help sell tickets, pass out programs, escort people to their seats, and answer any questions which might arise.

During the past year the auditorium staffs were busy with their important duties at both the Fall and Spring Graduations, at the Fathers' Follies, at the Christmas Pageant, and at the Senior Plays, *George Washington Slept Here,* and *Ladies of the Jury.*

The time and services, which are given voluntarily by these staffs, are greatly appreciated by the students of Alameda High School and by visitors attending the performances.

During the past year, the band and the orchestra have been very active. They have added spirit to all of our important school activities and have participated in many city functions. Members of both attended the music festival at C.O.P.

The orchestra, directed by Carleton Hanson, played at both the Fall and Spring Senior Plays, the Christmas Pageant, and the city-wide music festival. With its members resplendent in their new gold and white uniforms, the band, directed by Raymond Vidler, played for the Alameda High School P.T.A., for the students at various elementary schools in Alameda, at A.H.S. student body meetings and at football games, and in the city-wide music festival. In addition, the band played at two special events this year: the Veterans' Day parade and the dedication ceremony at which the cornerstone of our new building was laid.

Acorn Staff Records Memories Of Past Year

Another ACORN leaves the press to record in word and picture the memories of events during the past year. It leaves with the sincere hope that it will always keep alive the spirit of A.H.S.

With this goal uppermost in their minds, the 1958 ACORN Staff has worked hard for several months. The work began as far back as last June when the staff was chosen, and new features for the book were discussed. During the summer months, the staff met often and planned the theme, style, and layout of the 1958 book. As school opened again, the staff continued its work: pictures were scheduled and duly taken; ads were solicited; the budget was balanced; the seniors' pictures were taken and sent to the engravers; and copy was written, proofread, and typed several times.

The staff, while working very hard on this book, has enjoyed a feeling of accomplishment as it has watched the development of the 1958 ACORN from ideas on scratch paper into a finished book.

We on the staff sincerely hope that within these comparatively few pages may be retained something of the spirit and traditions of Alameda High School.

As all A.H.S. students know, about the busiest people around Alameda High are those on the OAK LEAF Staff. Its busy reporters can be seen with open notebooks and ready pens, chatting with students and teachers or covering club meetings and social activities of the school.

To its readers, the staff reports the news of A.H.S. activities around school, writes amusing sketches of students and teachers, and provides accurate sports reports covering A.H.S. football, basketball, and baseball games, and swimming, tennis, golf, and track competitions.

This year each student body member received his free OAK LEAF approximately once a month. The senior issues, containing a summary of the OAK LEAF Senior Questionnaire, were dedicated to the graduating classes of February and June '58.

The wide circulation may surprise many of its avid readers, for it is read in other states as well as in California.

Miss Grace Powers, faculty advisor, and Editors Jerri Prager and Judie Buckley, have done a fine job of supervising the efficient OAK LEAF Staff in its outstanding coverage of school news.

Students enjoy the OAK LEAF because it reports such a variety of items ranging from important school problems and political happenings to amusing articles on all the latest gossip, fads, and jokes.

Judie Buckley and Cathy Roski solicit an ad from Tuckers to finance the OAK LEAF.

Renee Woods and Jerri Prager discuss copy with Mr. Schowalter of the Times-Star Press.

The latest issue of the OAK LEAF is examined by Stan Voogd, Micki McNutt, Judie Buckley, Jerri Prager, and Juanita Peniston.

Many Outstanding Students Of

Fun Day is held once every two years at Alameda High and is a great favorite with the students and teachers alike, especially as everyone gets an early start for the fun. The gym yard is transformed into a carnival filled with booths sponsored by various clubs and organizations at A.H.S. This year Fun Day was managed by Francis Castle and Deann Gardiner.

Joan Robie was selected by the American Field Service to be our foreign exchange student and spend her summer in one of 54 countries. Joan is the first student from Alameda to be a part of this program and paves the way for the students who follow.

Spring Student Body Affairs

JIM FERRIER
President

BETTY RANKIN
Vice-President

Proving the soundness of his leadership and the training that he had had as Recording Secretary, Jim Ferrier served in the position of Student Body President during the spring term, 1958. From the very first student body meeting, it became apparent that the spring term would be a successful one as Jim efficiently conducted the meeting and introduced the very enjoyable entertainment.

Serving in the important capacity of Vice-President, Bunny Rankin headed the Service Panel and arranged for the highly entertaining A.C.A.L.-O.A.L. Talent Show.

Recording Secretary Dan Lufkin not only kept interesting and perfect minutes, but also very ably managed the spring term opening dance. Financial Secretary Terry Thelen secured 100 per cent in student dues, collected and paid our bills, and obtained special student rates. Our extremely enthusiastic Yell Leader, Sue Scott, led the student body in yells at A.H.S. student meetings, and kept the school spirit running high at our basketball games, baseball games, and track meets.

The spring term's Student-Faculty Committee met once a week to discuss student body entertainment and worked hard to assist President Jim Ferrier in obtaining the best entertainment possible. The fact that our meetings contained a good variety of top entertainment was proof that the committee did a good job.

Another hard-working student body board during the spring term was the Administrative Board. The Ad Board allots student body funds and makes important decisions concerning school government.

In addition to its many other duties, the spring Ad Board sponsored the Opening Dance, "Harbor Lights," which began the term's social season and introduced the new freshmen to our "school society."

As is traditional, the dance was managed by the student body's Recording Secretary and Vice-President. Therefore, the spring term's opening dance manager was Dan Lufkin; co-manager, Bunny Rankin. Ably assisting them as committee chairmen were Linda Spector, publicity; Tom Henderson, skit; Kay Briscoe, bids; Donna Avelar, decorations; Jim Battersby, music; and Pat Weber, reception and refreshments.

Serving each spring Board of Control were twenty-four students whose duties included maintaining order in our student meetings, assisting and supervising the students at A.H.S. games, keeping our school neat and clean, and generally guarding against accidents around school by seeing that all students observed school rules and regulations.

The spring Men's and Women's Boards of Control elected Stu Stevens and Sue Byrne as their Chief Councilors. To assist them, the following officers were elected: Chris Hooper, Karen Randall, First Vice-Councilors; Dave Thorpe, Janet Jacobson, Second Vice-Councilors; Paul Hansen, Janet Dungan, Recording Secretaries; and Dave Jones, Bonnie Thomas, Joan Friedrich, Sergeants-at-Arms.

During the spring term, the girls chose light blue and brown striped ties trimmed in white to wear with their navy blue skirts and white middies. Members of the Men's Board of Control wore their gold and white caps.

The spring term's Soph Hop, "Me and My Shadow," followed tradition as Alameda High's girl-ask-boy dance. It was presented in the A.H.S. gym on May 2, 1958, and was enjoyed by those attending it.

The dance was under the very capable leadership of Manager Tony Blunden and Co-Manager Mary Ann Reynolds. The committees were headed by the following: Mike Sheridan, decorations; Sharon McKay, music; Judie Irmscher, refreshments; Jim Tavernier, skit; Judy Takeda, bids; Sue Martin, publicity; and Sally Laughter, reception and invitations.

The soph hop is always informal; on the dance floor, the couples could be seen in bright cottons and sports shirts, dancing to the latest hit records. The class worked hard to make this last dance on the A.H.S. social calendar a success.

Spring Dances, A Huge Success

The class of June '59 presented its Junior Prom, "Flamingo," on the evening of Friday, April 11, 1958, in the A.H.S. gym.

The semi-annual junior prom is always one of the highlights of Alameda High's social season; this prom was no exception.

The bids were bright pink flamingos on a black background, and the decorations also followed the clever flamingo theme with palm trees and pictures of flamingos decorating the gym.

The prom was managed by Bill Santos and co-managed by Geayne Horgan. Heading the committees for the dance were Anne Cioffi, reception; Norlyn Eierman, advertising; Paula McNutt, decorations; Marty Ketels, publicity; Bob Bradford, music; Joan Stanton, skit; Valerie Hove, refreshments; and Jan Hess, bids.

SPRING SENIOR PLAY

The class of February '59 presented the hilarious three-act comedy, *Ladies of the Jury,* in the A.H.S. auditorium on March 15 and 15.

The curtain rises on the trial of Mrs. Gordon, a French woman accused of murdering her husband. After the case has been tried in the courtroom, the scene switches to the jury room, where the twelve jurists are seen in heated argument. Mrs. Crane, a wealthy society lady, thinks that Mrs. Gordon is innocent; the other eleven believe her guilty. Slowly, for unusual reasons, each of the eleven changes his mind.

We Entered Alameda High As Anxious,

Four exciting years have gone by since we were freshmen in Alameda High. These have been pleasant years for all of us, jam-packed with activities which will provide colorful memories of the many happy hours that we have enjoyed together.

We have tried to do our part as good citizens of the school community and have given our support to the faculty and the student body as a whole to keep Alameda High the fine, outstanding school that we want it to be.

Our low freshman term began as Judy Maillot and Steve Long helped us to have our very first social event, our 1A Dansant. Our officers during our first term were Bob Powell, Patt Strickler, Bunny Rankin, Jeff Berman, and Frances Rueda.

Our big event as high freshmen was "Noon News," a dance held on May 25, 1955. Our leaders for the term were Fritz Jager, Sue Byrne, Janice Larson, Jane Thomas, and Frances Rueda.

We took our first step as sophomores with a noon dance, "Autumn Leaves." Terry Thelan, Pat Good, Bonnie Beegel, Hank Pond, and Jane Thomas helped us to make it a successful event.

In our high sophomore year came our long-to-be-remembered Soph Hop with "Guys and Dolls" as our theme. Chris Jensen and Sue Delventhal, manager, and co-manager, gave a big assist to our class officers: Bunny Rankin, Ju Dee Losee, Janet Wallin, Sue Delventhal and Kitty Wilcznski. Heading committees for our dance were Janet Wallin, bids; Sue Scott, decorations; Sue Byrne, publicity; Barbara Bertero, theme; Ruth Janke, reception; Bunny Rankin, skit; Cathy Christmann, music; and Judy Maillot, refreshments. Not to be forgotten was Fun Day celebrated during the same term. Ice cream bars were our money makers.

It almost seems like yesterday that we were low juniors and were giving our noon movie and selling

football programs. Bill Boller, Janice Larson, Gayle Johnson, Jeff Berman, and Sue Scott served as our capable leaders.

As high juniors we had the pleasant task of choosing our junior sweaters. Judy Hartwig and Hank Pond helped us in selecting the light blue, Ivy-league style. "Isle of Our Dreams" was the theme of our profitable dance which was managed by Jeff Berman and Patt Strickler. The night was truly dreamy thanks to the clever ideas of Cathy Christmann, Judy Maillot, Lynda Romanoff, Connie Herranz, Dominic Ferro, Chris Hooper, Jack Rosser, and Bill Boller. Our class officers were Lee Archer, Karen Randall, Sue Byrne, Jim Battersby, and Leslie Reyes.

At last we became seniors and we gave our very successful Senior Play, *George Washington Slept Here*. Wendell Mew and Cathy Christmann managed our great performance and Diana Homme served as our Student Director. Everything went well thanks to Mr. Sisler, our actors, and our committee heads: Janet Benson, properties; Carol Snell, programs; Liz Forbes, publicity; Nancy Kapgenehs, tickets; Rodney Mell, Allen Miller, sound; Glen James, Don Traver, lighting; Lenore Layne, stage settings; Barbara Bertero, Patt Strickler, make-up; Chris Hooper, Jack Rosser, special sound effects. Our class officers were Jack Rosser, Gayle Johnson, Ju Dee Losee, Ann Maeyama, and Steve Slauson.

We, as high seniors, have been sporting our charcoal brown sweaters and jackets, which Sue Byrne and Jim Battersby managed to find for us. We have had many successful activities this term under the leadership of Dan Long, Sue Delventhal, Steve Slauson, Jack Rosser, and Dave Oliver.

As we look forward to our future with anticipation, we, the entire class of June 1958, join in extending our thanks and appreciation to the faculty of Alameda High for the guidance, help, and thoughtful consideration which we have been shown throughout our high school years.

FALL OFFICERS

We Started Out Right In The Swing

Although small, our class of February, 1959, has had big ideas right from the start. Throughout the years we have had capable leadership from our class officers. To each of these we extend a word of thanks for the magnificent job that they have done in providing us with so many outstanding activities.

At our low freshman class meeting we decided to give a dansant, "Spring Fling," to get into the swing of high school life. President, Bill Grafe; Vice-President, Linda Spector; Recording Secretary, Kay Briscoe; Financial Secretary, Pat Weber, and Yell Leader, Evelyn Maroulas served as our officers.

The first of our cupcake sales was given during our high freshman term when Stuart Stephens, President; Deann Gardiner, Vice-President; Carol Maritzen, Recording Secretary; Carol Bovo, Financial Secretary, and Evelyn Maroulas, Yell Leader, managed our class affairs. Thus ended a very successful and profitable first year for us.

Just a few weeks later, as low sophomores, anxious to have more money in our treasury, we held our second cupcake sale. It, too, was very successful, thanks to the help of our officers: Linda Spector, Phyllis Nelson, Barbara Calkins, Karen Pellerite, and Pat Weber. Fun Day took place during this same term and Sandra Winsby and Tom Whelan managed our Fun Day concession. We sold coke and found that everyone was terribly thirsty.

The big event, our Soph Hop, came in our high sophomore term when Bill Grafe, President; Jill Hopkins, Vice-President; Donna Avelar, Recording Secretary; Judy Short, Financial Secretary, and Barbara Calkins, Yell Leader, were our leaders. "Anchors Aweigh" was managed by Paul Hansen and Dean Gardiner. Working with them were the capable committee heads: Linda Spector, Evelyn Maroulas, Skit; Phyllis Nelson, Bids; Gary Gambetta, Publicity; Carol Von Berckefeldt, Decorations;

When We Presented "Spring Fling"

Sandra Winsby, Music; Janet Dungan, Betty Cowart, Reception.

Our noon drag racing movies shown on a rainy day marked the beginning of our low junior term. Skip Ullner and Eugene Camicia were the capable chairmen of this affair. The class officers for the semester were President, Gary Gambetta; Vice-President, Donna Avelar; Recording Secretary, Carol Bovo; Financial Secretary, Virginia Ross, and Yell Leader, Pat Weber.

As high juniors we attended student meetings in our class sweaters which Bud Pollard and Carol Maritzen helped us to choose. The girls had yellow cardigans, and the boys had gray and yellow three-holers. Our Junior Prom, "Underwater Fantasy," which was uppermost in our minds, was managed by Chuck Russ and Jill Hopkins. Our officers were Stu Stephens, President; Janet Dungan, Vice-President; Virginia Ross, Recording Secretary; Deann Gardiner, Financial Secretary; Sandy McCann, Yell Leader.

As low seniors we gave our Senior Play, LADIES OF THE JURY. Gary Gambetta and Phyllis Nelson served as our manager and co-manager, and Janet Jacobson was our student director.

Our capabale officers this past term have been Bill Grafe, President; Carol Von Berckefeldt, Vice-President; Janet Jacobson, Recording Secretary; Pat Hogan, Financial Secretary, and Evelyn Maroulas, Yell Leader.

We are looking forward to many exciting activities that will take place in in our senior year. Our Senior sweaters, our Senior meeting, our Senior Ball and graduation next winter are the special events which will make up our last term at Alameda High.

We thank our understanding advisors and all of our teachers for their helpful guidance throughout our high school years.

The class of June 1959 kept the ball rolling with many activities throughout its low junior term. A class meeting, high-lighted by entertainment from the girls of the class, was first on the list. Class elections were held and the results were as follows: Mark Cronenwett, President; Ann Cantor, Vice-President; Bill Santos, Recording Secretary; Tom Vetlesen, Financial Secretary; and Steve Hughett, Yell Leader. The next activity was the selection of blue junior sweaters and jerkins. Nancy Moffitt and Bill Hopkins led this activity. The class then held a noon movie as a money-making project.

In its high junior term the class presented the lovely Junior Prom, "Flamingo." Bill Santos and Geayne Horgan were chosen as Manager and Co-Manager, and Jan Hess, Paula McNutt, Joan Stanton, and Marty Ketels were the committee chairmen. Larry Ratto, class president, also worked very hard to make the prom a great success. The 3B's are now looking forward to their last year of high school and to the many exciting things that happen to seniors.

Larry Ratto, Joanne Steveley, and Steve Rice proudly display their Junior Sweaters and Jerkins.

The class of February 1960 started the fall term by electing Walt Cannady as President, Phoebe Moraes as Vice-President, Warren Berrie as Recording Secretary, Reed Jones as Financial Secretary, and Judy Ingeman as Yell Leader. This 2B class will long remember its Soph Hop, "Easy Going." This dance broke all previous records, and the thanks go to Bob Shepherd, Manager, and Hope Chipman, Co-Manager. Committee heads Hiroshi Abiko, Daryl Lyerla, Judy Eggers, Mary White, Linda Boucher, Ann Shirley, and Gregg Hofmann also did their part to make the dance successful.

During the autumn term, this class sold football programs at the Richmond game. As low juniors, the class had an outstanding term under the leadership of President Warren Berrie and Vice-President Hope Chipman.

The class hopes that all of its 3B activities will be as successful and profitable as the activities have been this year.

The skit for the Soph Hop, "Easy Going," inspired many students to attend the dance.

At the beginning of its low sophomore term, the class of June 1960 sold Alameda High pennants. It was a very profitable sale, and every pennant that was made was sold. This activity was under the watchful eye of John Farnsworth, the 2A class President. Other helpful officers were Sharon Tucker, Vice-President; Sue Martin, Recording Secretary; Vicky Cannon, Financial Secretary; and Sharon McKay, Yell Leader. Also in its 2A term, the class found Dick Allen, Marshall Jacoby, and Lee Clark suiting up for Varsity Football.

As high sophomores, this class held its Soph Hop which, with the co-operation of the whole class, was very successful and was enjoyed by all who attended. Alameda High looks forward to the many more things that will be accomplished by this class, which is now at the long-awaited half way mark of high school. The 2B's can scarcely wait to become upperclassmen, and they hope their next two years will be as happy as the first have been.

Class leaders of the high sophomore class plan the bids for their Soph Hop.

As high freshmen, the class of February 1961 held an important class meeting, conducted by the newly-elected President, Dave Mason, to decide on a money-making project. The purpose of this project was to earn enough money to pay for ACORN pictures. There were many good suggestions as to what the project should be, but a noon movie came out the winner. The movie was a huge success, thanks to Barry Parker, the chairman of the committee, and to the support of the members of the class. This class showed much skill in presenting exciting activities.

The time flew and soon the class had begun its second year of high school. As 2A's the class was under the spirited leadership of President Bob Johansen, Vice-President Judie Maurer, Recording Secretary Mary Lee Ullner, Financial Secretary Jerry Freschi, and Yell Leader Marilyn Livesey. The class has already begun thinking about its Soph Hop next semester, and all are looking forward to it.

The class of June 1961, began its four years of high school on September 10, 1957. The 1A's held their first class meeting on November 26. At the meeting they had some lively entertainment, and they discussed a cupcake sale which was held on December 4. Under the terrific management of Allan Dart, the class President, the sale was a big success, and the class made a substantial profit. The Vice-President, Judy Nordmark, was also very helpful in arranging the activities.

When they were 1B's, Jim Roberts became President. His cabinet consisted of John Doggett, Vice-President; Jon Harris, Recording Secretary; Rich Rankin, Financial Secretary; Karen Scott, Yell Leader. They had their second successful cupcake sale on March 12, and are already planning more enjoyable, as well as more profitable, activities. This class definitely has much class spirit and co-operation, and it is anxiously looking forward to its 2A term.

On January 27, 1958, Alameda High welcomed the newcomers — — the class of February, 1962. Through the aid of their advisors, teachers, and the upper classmen, the 1A's quickly became accustomed to the ways of high school. The officers of this class did a fine job during the spring term, and the class made a start which promises success in the following three and a half years. Under the capable leadership of Don Hammond, President; Don Kriens, Vice-President; Sue Hartley, Financial Secretary; Wendy Wehn, Recording Secretary; Stan Znoj, Yell Leader; the 1A class held its first class meeting on April 16. Low freshmen boys also made a good showing in the field of sports and Alameda High expects many accomplishments from this class in the future.

This class has already shown much enthusiasm and ambition, and if they strive to keep up the spirit, teamwork, and efficiency of the other classes, the 1A's will produce many exciting activities at Alameda High.

The entertainment at the Freshmen Reception was thoroughly enjoyed by all the new students.

The California Scholarship Federation has again proved to be one of the most enjoyable and useful organizations in the school. The club, composed of honor students, put on a joint meeting with the Star & Key and has been giving free tutoring services to those people who have need of them. The C.S.F. co-sponsored a dance with Emery High and everyone enjoyed it immensely.

The annual C.S.F. convention was held at Modesto High School. The day was spent in many and varied activities all planned to help the scholastically minded student. All in all the members enjoyed a very active and worthwhile year.

The Star and Key Society of Alameda High has the largest number of students of any organization in the school. A.H.S. can be proud of this group of students each with a B average or above. The club co-sponsored a student meeting with the C.S.F. and received many compliments. The monthly meetings of the society are always highlighted by a special touch. The outstanding activity of Star and Key was the annual picnic held during the spring term. All the members, as well as Mrs. Smith, the advisor of the club, were very pleased with the successful year.

The Spanish Club was very pleased to have a Spanish speaking member, Adolph Escoto, give an informal and interesting talk on Mexico. More recently, the Spanish Club has had a Mexican dinner which was served at school.

At one of their meetings the members enjoyed seeing and hearing Mexican and Puerto Rican entertainers singing and playing their guitars. On April 16, the professional dance team of Ricardo and Sarita, accompanied by Jack Buckingham, was presented at a well-attended meeting. For their last meeting senior Spanish students put on a very amusing play. Spanish Club meetings are a landmark at A.H.S. and something of which we should be very proud.

Many of the Latin Club meetings have been provided with entertaining plays put on by Mrs. Marker's classes. There was a strictly Roman play, *"Victoria Mater,"* and a Latin version of that eternally amusing *"Little Red Riding Hood."* The club has just finished an active and successful year.

Service To School Is Courtesy Board Motto

The Courtesy Board, under the direction of Mrs. Hoeksema, acts as a hostess committee for Alameda High School. The Courtesy Board members direct new students to their first advisory and help visitors locate the faculty members that they wish to see. Every term the Courtesy Board sells much needed A.H.S. book covers.

This year marked the first time the girls were able to wear the middies and ties which are the mark of the varied organizations. In the fall the girls had red scarfs with white polka dots. The spring term members chose a pink and white stripe which was very becoming. At Christmas time, the Courtesy Board members made modernistic Christmas trees; these, along with original place cards, were delivered to each teacher.

The Courtesy Board took our foreign exchange student, Grazia Marnetto, on a tour of San Francisco and the trip was a pleasure to all who went. In May the girls took Grazia to some radio and television programs.

At the end of each term a dinner is held and attended by the members. This term the final fling was a barbecue which was followed by a swimming party. This past year was a delight to all.

G.A. Promotes Lasting Friendships

The Girls' Association, which harmoniously states that it will keep its girls "sisters through the years," begins each term with a Freshman Reception. This occasion is the start of a sisterly relationship for many girls.

The fall cabinet members chose a red Ivy League stripe with three buttons as their tie and followed through their term with a "Calypso" theme. The name of their Freshman Reception was "Bienvenido" and their semi-annual fashion show was entitled "Caribbean Cruise," which was enjoyed by participants and viewers alike.

After the spring term's officers had chosen their light blue plaid ties with lace around the edges they proceeded with their "Disneyland" theme. The Freshman Reception was entitled "Adventureland" and was a very nice experience for the new girls. The fashion show was a huge success.

The Non-Coms, more formally known as the Non-Commissioned Officers Club, is a hard-working organization, which provides many enjoyable facilities for the members of the school.

The Sword and Shield is composed of the officers and sponsors in the R.O.T.C. The club meets early in the morning and on some afternoons. Many movies are shown and educational topics discussed.

These two clubs, working harmoniously, planned their annual casual dance which was enjoyed by all who attended. Many parades have been entered by our fine battalion, the merit of whose marching was judged at the annual competition held at Lincoln Park in May.

Major Farnsworth is a very capable advisor to these clubs and provides the incentive that makes these groups go forward.

Chemistry Club members have had a very active year covering both interesting meetings and trips to lectures and points of scientific interest. An unusual experiment is usually presented at every meeting and is especially well received when the members themselves participate in the experiment. Their many trips to San Francisco make the Chemistry Club a very special thing to its members. Many Chemistry Club members placed entries in the annual Science Fair and were very surprised and pleased with the innumerable ideas represented by the many different schools.

The Photography Club certainly knows how to put any idle time lying around to good use. This year they were very busy taking pictures for the club's annual contest which was held in May. In November the club went to Lake Merritt in order to snap pictures and ended up rowing a crew boat. Golden Gate Park, Playland, and Sutros were haunted by a few members in April, and on Fun Day the club had a little peep-show.

An interesting study in still-lifes provides a perfect picture at a club meeting.

Happier Holidays Assured By Jr. Red Cross

Junior Red Cross members work hard making clever favors for the patients of Children's Hospital.

The Jr. Red Cross is an organization which trains the willing hands and minds of students to help others. It also gives the members a sense of responsibility and teaches them to respect the American Red Cross and its work.

The members decorated Oak Knoll on Thanksgiving and Christmas and went to a regional conference at the University of California. The club also attended a national conference in May held in San Francisco. The Red Cross drive was very successful, and the Oak Knoll projects have received much praise.

The Block "A" members may attend any school game, from football to swimming, free if they produce an official Block "A" card. The Women's Block "A" is a club devoted to the girls at A.H.S. who have proved that they have exceptional athletic ability. This year they opened their fall term by selling the gold and white pom poms so prominent at varsity football games. Another activity, which spreads some of the traditions of A.H.S. to the far corners of the state, is the selling of decals which portray a fighting Hornet. A trip to San Francisco was enjoyed by all and gave an extra lift to the term.

A "Zwood" Time Was Had By Sub Debs

The Sub Deb Club never slowed down for a minute in this past year, as their record of activities proves. The name of their fall dance was "Zwood," which was a new word having no significance whatsoever, except for the fact that it was the name of a highly successful dance. Charities were given a substantial amount of money from the Sub-Deb Treasury, and the members themselves fixed many baskets for the needy at Christmas time. The annual dance, "Spaghetti Rag," was presented and ended the term very neatly.

Spartans Survive "Shipwreck"

The Spartan Club has had a year which will be long remembered as one of the best times ever seen in the school. It is almost a tradition for the Spartans to hold a basketball game with the Aleatheans, a rival social club. The proceeds from the game this year went to the Foreign Exchange Student Fund.

Their annual dance, "Shipwreck," was held in the late spring and was a great financial success.

Hornets Battle Through Hard-Fought Season

The story of the Alameda High School Varsity football team of 1957-58 is one of fine team play, smooth functioning, and good sportsmanship. Brilliant playing was evident from the very first game. The Hornets' sportsmanship, and the hard, but clean, team play are a great tribute, not only to the players, but also to their excellent coaching staff. Head coach Chuck Butler, line coach Forrest Klein, and backfield coach Don Rogers deserve a great deal of credit for their fine work.

The most thrilling game of the season was played with our cross-town rival, Encinal. Capitalizing on Encinal fumbles, Alameda had a two-touchdown lead just 12 seconds into the second quarter. The Jets, however, refused to fold and came roaring back. In the fourth quarter the Hornet rooters were stunned to find the scoreboard indicating Encinal leading 20 to 14 with the clock showing only three minutes left in the ball game. With just 42 seconds left to play, fullback McEachern bumped into the end zone for the final score of 20-20.

The Hornets rolled over every league team except Berkeley, Richmond, and Harry Ells, and although finishing fourth in th A.C.A.L., the Hornets were third in offense and second in defense. Ron McEachern made All A.C.A.L. fullback on the first offensive team. Don Bell, Don Dela Riva, and Welborne Cotten made second defensive team; Chris Jensen, Don Bell, Welborne Cotten, Chuck Patino, and Eddy Evans made second defensive team.

J.V. And Soph-Frosh Squads Show Promise

The Junior Varsity, led by Coach Don Rogers, had a rugged fast-paced season. The squad won approximately half of their games, and with steady practice, the team soon became a well-organized fighting unit. With many standouts on this fine team we can certainly expect another great varsity squad next year.

The Soph-Frosh football team, under the expert management of Coach Marvin Pearson, ran into tough competition this year. The improvement, sportsmanship and co-operation shown by the squad pleased Coach Pearson greatly. This vital football experience shows up in all Hornet squads.

This year's varsity wound up in a tie for third place, but the fight and determination of this great squad was first class. Highly-rated Richmond knew that they had really played a game, when they squeaked by the Hornets in an overtime, 71 to 80, in one of the most exciting games of the year. Alameda rooters were kept on the edge of their seats by the surprising precision of the smoothly efficient squad.

High point man on this year's squad was Dan Lufkin followed closely by Jim Neave and Eddie Evans. Dan Lufkin made the All-A.C.A.L. second team. Archie Martinez was given special mention by the sportswriters for his great playing in the games preceding his mid-term graduation. Stuart Stephens, Steve Slauson, Steve Long, Bill Hansen, Tom Henderson, Willie Andrews, Duncan Owen, and Doug Geller made fine showings.

J.V. Hoopsters Round Out Good Year

The J.V. basketball team was a very young and inexperienced team this year. The majority of the Hornet lineup consisted of freshmen or sophomores, while most of the other Junior Varsity A.C.A.L. teams were composed of juniors. The team, nevertheless, won half of its games. By the end of the season they had developed into a smoothly working group. Next year's team will consist of some of these fellows and should be on top of the league. Although all these men may not make varsity next year, they will make a wonderful J.V. squad. Those showing varsity ability for next year are Rusty Slater, Ted Snapp, Ron Labetich, Jerry Ortiz, and Steve Carnahan.

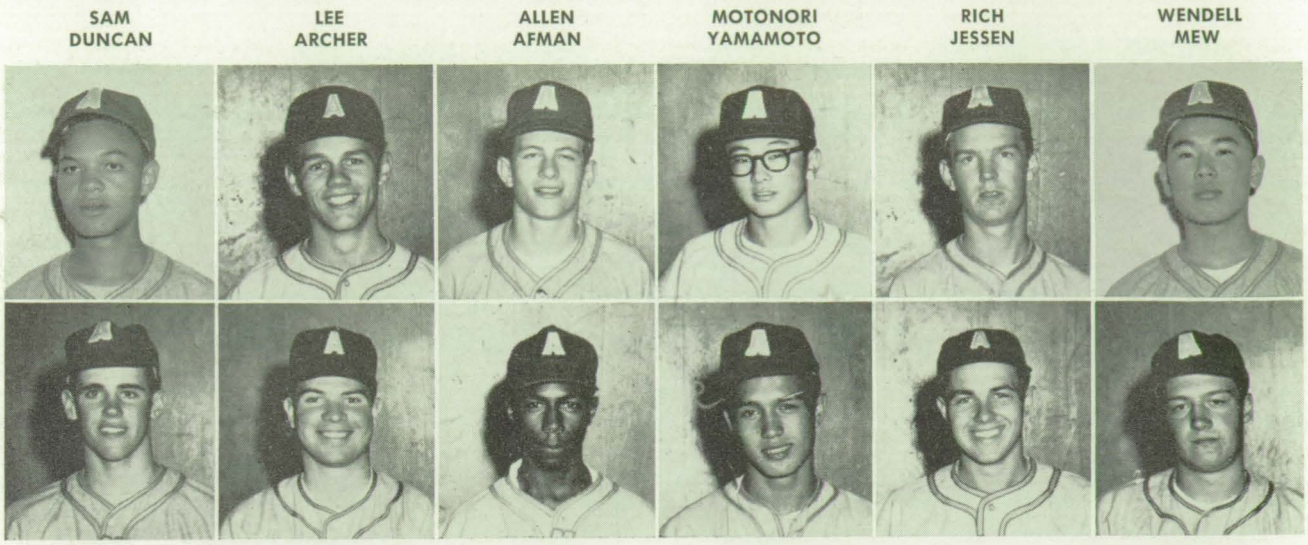
Varsity Ball Team Meets Strong Opposition



The Hornet varsity has been greatly hampered by rain this year. Coach Pearson foresaw a good season but could not give any definite lineups, because six of the nine practice games were canceled owing to rain.

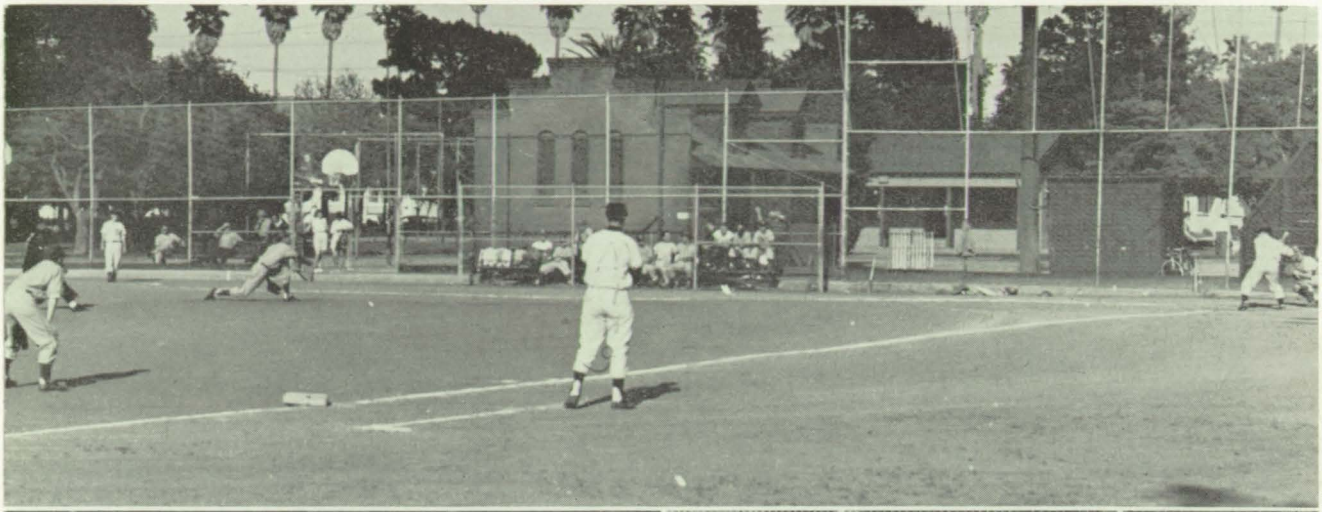
The Hornets had Don Dickherber and Bill Wootten in the infield, Wendy Mew at second base, Emright Pitts at third base, and Dan Lufkin at shortstop. Our battery consisted of Curt Nelson and Sam Duncan on the mound and Terry Thelen behind the plate. Lee Archer and Rich Jessen were in left field, Moto Yamamoto and Mike Snapp in center field, and Jeff Berman and Bill Sniffen in right field.

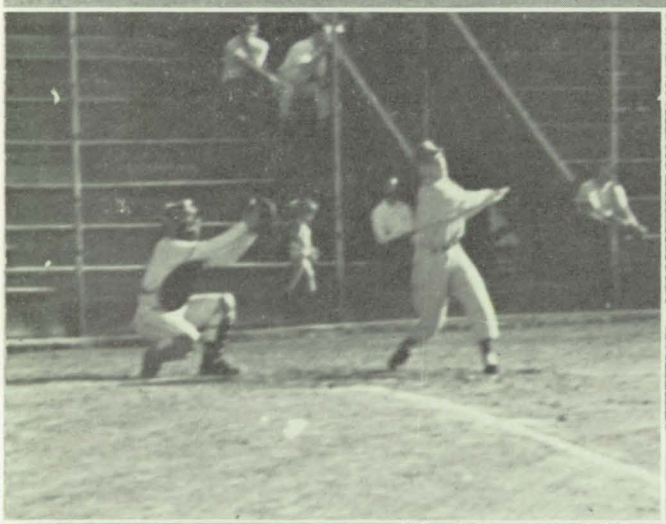
The Hornets developed into a good team this year but were faced with very strong competition. Hard work and strong team play kept the prospects bright.

VARSITY BASEBALL—FRONT ROW: M. Yamamoto, J. Berman, M. Snapp, J. Cotten, A. Afman. ROW II: E. Pitts, C. Nelson, T. Thelen, S. Duncan, W. Mew, K. Hulmer. ROW III: W. Morris, J. Wisner, R. Jessen, D. Lufkin, B. Wootten, D. Dickherber, E. Sniffen.

Baseball Action

Sam Duncan puts one right in there during the Hayward game.





MIDDLE LEFT: Don Dickherber slams the ball into left field. MIDDLE RIGHT: Moto Yamamoto crosses the plate to score in the Hayward game. LOWER LEFT: Terry Thelen makes the play at second while Mike Snapp backs him up. LOWER RIGHT: A through-the-screen view of the Hornet battery, Duncan and Thelen.

Junior Batters Make Good Showings

J.V. BASEBALL TEAM—FRONT ROW: C. Merrit, J. Hasegawa, H. Thompson, M. Meyers, J. Ghiselli, J. Millar, C. Molenkamp. BACK ROW: Coach Rogers, T. Snapp, L. Thode, B. Evans, J. Tavernier, M. Gallagher, A. Smith, G. Ford, Mgr.

As this book goes to press the Alameda J.V.'s have only been beaten by San Leandro. They beat Bishop O'Dowd by a score of 21-0 on 17 hits, Castlemont by a score of 2-0 and the St. Joseph Varsity 1-0 in a thrilling no-hitter pitched by Billy Evans. The following boys have also played outstanding ball: Chuck Molenkamp, catcher and outfielder; Mike Meyers, catcher; Jerry Ortiz, captain and second baseman; and Rusty Slater, short-stop. We have a fine team with good prospects for next year's varsity.

Pitching ability is shown by Harry Thompson as he pitches for Alameda against Hayward.

Jerry Ghiselli snags the ball for the out in the San Leandro game.

Varsity Cindermen Exhibit Great Potential

FRONT ROW: B. Balvin, J. Neave, W. Andrews, T. Richmond, C. Cattran, T. Morehouse, P. Reynolds. ROW II: M. Cronenwett, F. Duffin, B. Hansen, R. McEachern, B. Farris, M. Broyles, D. Oyen. ROW III: D. Thorpe, S. Carnahan, E. Evans, J. Ferrier, J. Morten, Coach Jones.

Although hampered by the weather and lack of a track, Alameda's cinder men have practiced and have shown a good potential.

Ron McEachern ran the 160 and 220 in good time. He has been clocked unofficially at 10 seconds and 22.1 seconds respectively. Alameda's very speedy relay team was composed of Steve Carnahan, Bob Farris, Willie Andrews, and anchor man Ron McEachern. Steve Carnahan, who set the North Coast "B" high jump record last year, looked great in that event. He also looked very promising in the broad jump. Pete Reynolds turned in good times in the 880. Brian Ahlberg, Tom Morehouse, Mark Cronenwett, and Mike Broyles put the shot. Jim Neave and Eddie Evans skimmed the hurdles in fast time. Fred Duffin was our hard working miler and Tom Richmond gave good speed to the team and may be used in the 220.

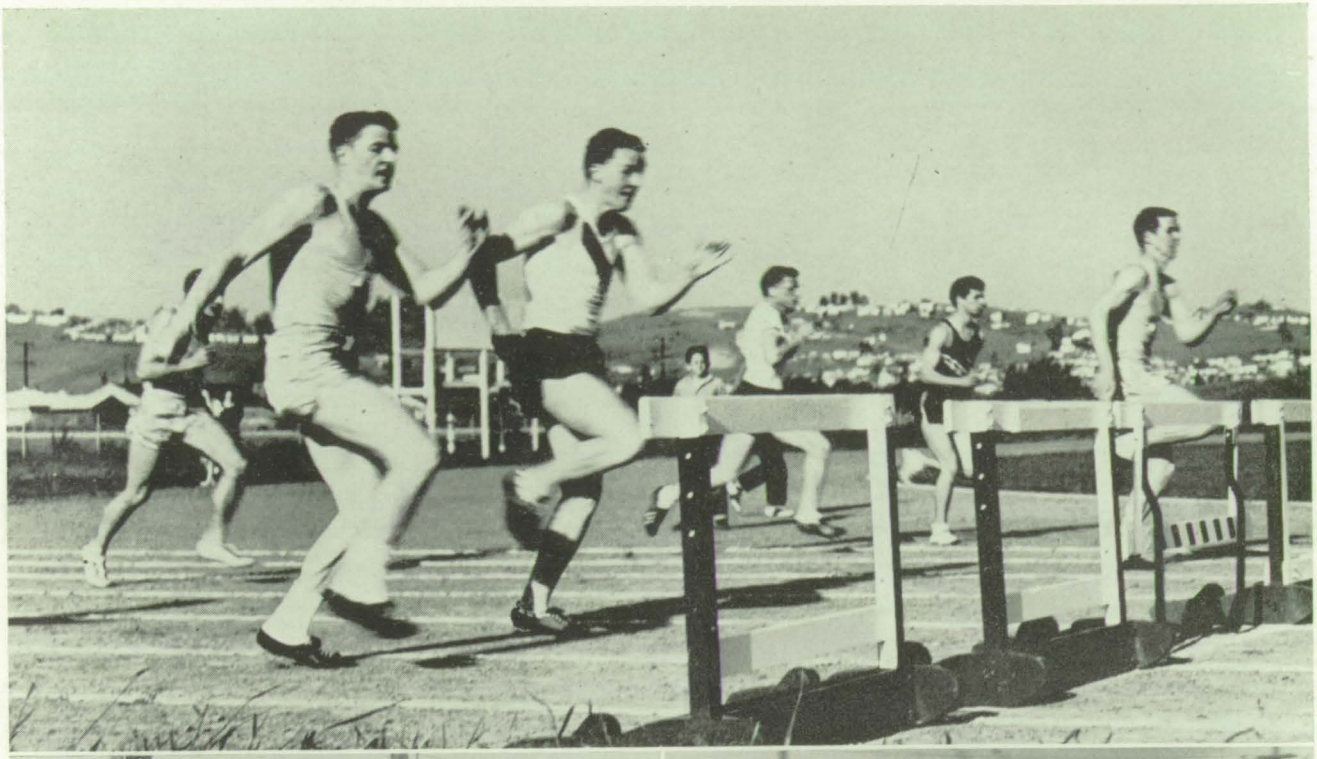
Track Action

Alameda shows up strongly in the hurdle competition against Arroyo and San Leandro.



Ron McEachern and Willie Andrews get set at the starting blocks in a practice session.

Carnahan, McEachern, Farris, and Andrews practice for the relays.

J.V. Spikemen Show Depth

Jerry Caird breaks the tape in the 75 yard dash during the Arroyo-San Leandro meet.

Norm Santos neatly clears the high jump bar at the San Lorenzo meet.

Under the coaching of Hank Jones, the J.V. team has shown good speed and depth. The fleet-footed relay team was composed of Jerry Caird, Jerry Grien, Larry Otto, and Wayne Sniffen. Gerald Law looked good in the 660; Paul Schraeder showed great form with the shot put and discus; John Sims looked very good in the 330. Wayne Sniffen and Robert Johansen ran hurdles, and Mike Bradley had good speed in the 1320. Coach Jones is very much pleased with the hard work and potential ability possessed by these future varsity stars.

J.V. TRACK—FRONT ROW: J. Armoskus, L. Otto, D. Mason, J. Law, J. Caird, J. Roberts, P. Patelzick, L. La Venture. ROW II: W. Sniffen, J. Mathieson, J. Sims, G. Hofmann, P. Schraeder, R. McCreery, B. Johansen. ROW: S. Geisert, A. Cook, B. Bramante, M. Bradley, D. MacIntosh, R. Rankin, B. Swinney, A. Jay.

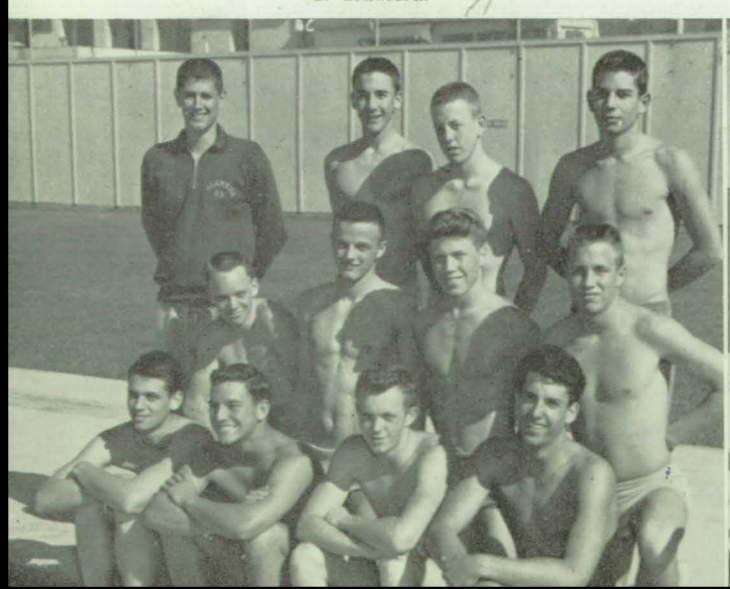
Swimmers And Marksmen Win Fine Standings

RIFLE TEAM—KNEELING: M/Sgt. Brown, D. Benjamin. STANDING: J. Collins, F. Castle, G. Means.

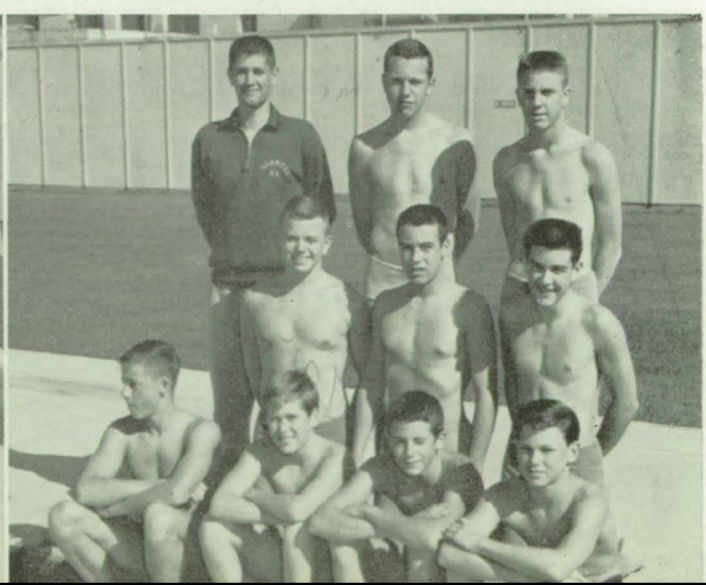
Last year's fast-paced A.H.S. swimmers have shown great improvement this year and should end up the season fighting for the A.C.A.L. crown. Barry Parker and Ken Wallace have turned in record-breaking times. Chuck Russ, Bob Bradford, Art Snyder, and Sandy McCann all show record-breaking ability. Without the services of Jim Battersby, Pete Skaarup, and Jim Reilly, the team could not have had such a successful season.

The A.H.S. rifle team placed number thirty-two in the nation in the recent William Randolph Hearst Match and also won a second place in the Oakland Rifle Match. Top man on the team is Bob Betterton, who, in one match, shot 190 out of 200. After firing a team score of 905 out of 1000 at Oakland High, the Hornets have assured themselves a place among the top teams of the East Bay.

VARSITY SWIMMING TEAM—FRONT ROW: P. Hansen, J. Battersby, P. Skaarup, C. Russ. ROW II: B. Parker, K. Wallace, S. McCann, A. Snyder. ROW III: Coach Ashley Jones, B. Minton, J. Riley, B. Bradford.



J.V. SWIMMING TEAM—FRONT ROW: D. Rogers, J. Johnson, C. Stephens, J. Morrison. ROW II: T. Ramsden, J. Harris, T. Cusack. ROW III: Coach Jones, P. Westernoff, D. Barr.



TENNIS TEAM—FRONT ROW: B. McNutt, T. Cossette, S. Dowen, B. Devine. BACK ROW: L. Barnhart, J. Craig, D. Hagen, M.Sheriden, C. Hooper.

Racket Men And Golfers Have Good Prospects

This year's golf team looks as if it might come close to the top in A.C.A.L. honors. In their first match of the season they defeated Acalanes 5 to 0. Top man on the team is Louis Schmitz followed closely by Gary Plato, Marty Ketels, and Bill Erdahl. By the time the A.C.A.L. matches begin, all members should be ready. This is the last year for spring golf; next year the golf matches will be in the fall.

Alameda High School has always produced fine tennis players. Coach Chuck Butler reports that this year's team is no exception. The number one man is Mike Sheridan who provided stiff competition this year. The men bidding for positions are Chris Hooper, Ben McNutt, Lowell Barnhart, Don Hagen, James Greig and Terry Cossette. Prospects for this hardworking team look very promising at this time.

GOLF TEAM—FRONT ROW: R. Long, G. Plato, M. Ketels, S. Harrosh. BACK ROW: L. Schmitz, K. Cummings, T. Himmelberg, B. Erdahl, Coach Hayes.

Modern Dance Teaches Rhythm In Blues

FRONT ROW: Gaile Johnson, Carolyn Schultz. ROW II: Judy Maillot, Joyce Ware. ROW III: Diane Miles, Karen Randall, Virginia Ronzani.

FRONT ROW: Ginger Xavier, Patsy Mooney, Jan Hess. BACK ROW: Vicky Cannon, Martha Caswell, Sue Stephens, Jerri Prager.

Modern Dance training is valuable in developing grace and poise. All of the classes study rhythm and dance technology.

Any girl who is a low sophomore or higher may take modern dance. In Dance A the girls spend most of their time learning simple exercises which will make them limber. In Dance B and C the girls begin to work on composition. Those girls in the advanced classes, C and D, may join the Modern Dance Club, which performs for such things as the Christmas Pageant, G.A. fashion show, and the freshman reception.

FRONT ROW: Lyn Dakin, Marilyn Eierman, Joan Friedrich. BACK ROW: Lynda Romanoff, Wendy Newell, Connie Herranz, Christine Leefeldt.

FRONT ROW: Vicky Cannon, Martha Caswell, Sue Stephens, Jerri Prager, Patsy Mooney. BACK ROW: Ginger Xavier, Jan Hess.

New Sports Offered In G.A.A.

FALL G.A.A. OFFICERS—FRONT ROW: S. Enos, Publ. Mgr.; S. Gillard, Vice-Pres.; J. Dean, Rec. Sec. BACK ROW: S. Wakefield, Fin. Sec. S. Hasund, Pres.; B. Reis, Yell Leader.

SPRING G.A.A. OFFICERS—FRONT ROW: P. McNutt, Vice-Pres.; B. Reis, Pres.; C. Wallace, Yell Leader. BACK ROW: L. Jansen, Rec Sec.; S. Stevens, Publ. Mgr.; J. Horine, Fin. Sec.

Something new has been added! This term the G.A.A. has increased its already long sports list by three: field hockey, deck tennis and "Slimerella." Field hockey was played for the first time in four years while deck tennis and "Slimerella" were offered this year.

Along with participation in sports, the girls were busy attending "play-days," two of which were sponsored by Alameda. Castlemont and Encinal attended the first, while Porter, Lincoln, and Haight Grammar Schools attended the second.

In the spring term the pencil and fudge sales, which boosted the treasury, were followed by a political convention. This year ended with the annual "Spread" entitled "Coney Island".

Basketball is one of the favorite sports in G.A.A.

Soccer is a game thoroughly enjoyed by all G.A.A. members.

Girls Athletic Association Enjoys A Large

IN MEMORIAM

CHESTER HALLOCK MILLETT

1906 - 1958

There are men in the teaching profession who have been honored for their leadership, character, friendliness, courage and, above all, for their inspiration and service to youth. Chester H. Millett was one so gifted and so honored. His years of service to the youth of Alameda High School need not be enumerated here, for they are recorded in the hearts and minds of every boy and girl who had the good fortune to be inspired by his teaching and counsel.

His students and colleagues will miss his friendly smile and greeting and will always remember him as a master teacher, coach, and counsellor, who enriched the lives of all who knew him.

"YOUR NAVY NEIGHBOR"

The United States Naval Air Station is located at the west end of the natural island occupied by the City of Alameda. Originally an ancient Indian fishing ground and later part of a vast Spanish land grant, it covers an area of approximately 2679 acres including 981 acres under water. It was from this point that the history making pioneer flights over the vast reaches of the Pacific Ocean to the Orient were launched just twenty-three years ago. Five years later, on the first of November in ninteen-forty, the station was commissioned with a handful of some 200 military and civilians, little dreaming of the thousands who would join them to swell the Station's population with the advent of the Second World War. Today, having played such an important part in the successful conclusion of that great conflict, the Air Station is the largest industrial establishment in the Bay Area and the largest of the Navy's Air Stations in existence. The present day peace-time mission of this complex operation is one of fleet support, providing facilities to support the vital operations of fleet carrier, patrol, anti-submarine, transport, and training aircraft; furnishing facilities and support to the overhaul, modification, and maintenance programs for all types of naval aircraft. In addition, it serves as a primary aviation supply, outfitting, and assembly point with docking facilities capable of handling the largest aircraft carriers afloat. To adequately describe the functions of the Station and its importance in the community in terms of employment, material, equipment, and facilities would far exceed the space available in this entire yearbook. Let us therefore simply say that as a major department of defense activity, the Naval Air Station is a part of the team that is constantly striving to maintain the all-imporant state of readiness necessary to meet the threat of attack that may come with little or no warning to destroy us and our democracy. To under-estimate the importance of this effort could well mean the utter elimination of the way of life we have fought and died for since our country was founded.
